CLARKE RINGS IN TOP NOTCH FORM

Looks Like Sure Western Champion With McFarland as Team Mate.

With an even twenty first places and two seconds, won in the open professional events at the Salt Palace since this season, Jackie Clarke looks a much safer winner than the Cub. The little Australian is now riding at top form, which, with the pace making of Floyd McFarland, makes a combination that no rider in the world could beat in the open races.

Many of the local fans now believe that Clarke is a world champion at the open race game, his unpaired mile of 1:52 having stirred up the echoes in the east and in all sections where the game is running. Just how good Clarke is at the French style game will be seen within the next two weeks, when he meets Major Taylor, the wisest head and one of the greatest French style riders ever produced. There is no question about Clarke's speed and staying qualities, the only thing to beat him is by being outgeneraled by his opponent. After two years with McFarland, and with many French style races back of him, the little Australian is held to be equal to the task of winning from Taylor.

In Taylor's first match he hooks up with Iver Lawson, a veteran bike himself, whom the major has much respect for. With Lawson and Clarke riding against the colored champion within a week, the opportunity to size up the two riders will be of the best.

Lawson and Taylor.

The past week saw Lawson increase his lead on Gordon Walker, the contender for second place, although the former champion needs to do his best to keep between the two Australians. Lawson is riding in excellent form these days, and with a teammate the equal of McFarland, Clarke would not have the margin for first honors. Pye is up against a veteran rival "Pully" in McFarland, and the races thus far have shown McFarland the wiser head, with a faster sprint, which, with the superior protection he gives the man behind, counts heavily for the success of the man McFarland is pulling.

With the amateur class, Colvin's seven firsts place him in the lead by twelve points over Gempie, with Huey third over Taylor by five points. The amateurs are putting up some fine riding, and every night brings out better competition between the simon pures.

With the motor race followers, Ray Duer seems to have the call for the western championship at the present time. He is riding strong and his records are faster than the others. While Hardy Downing has been having hard racing luck, he has an even chance with Duer, and when the finals come there will be some great matches. The tables follow:

Z. C. M. I. BEATS KAYSVILLE IN WELL-PLAYED GAME

Kaysville, Aug. 6.—In one of the fastest and best games that has been played on the local grounds this season, the Z. C. M. I. trimmed Kaysville by the score of 3 to 1. Barber, on the mound for Z. C. M. I., was in fine form, allowing but for scattered hits, and only five Kaysville men reached first base, and his team mates, to show that they were in the game, doubled three of these out. Flint, for Kaysville, pitched a good game, being well supported. Lineup:

WELLSVILLE TAKES GAME AND SERIES FROM LOGAN

(Special to The Herald-Republican.)

Wellsville, Aug. 6.—By the score of 6 to 1, Wellsville won from Logan today, taking the deciding game of the \$500 series. Bridger, the Wellsville southpaw, pitched a wonderful game, fanning sixteen men and allowing but two hits. The local slugger touched up McCree for twelve safe ones. A big crowd from both towns was on hand, and the rooting was heavy throughout the play. The batteries: Wellsville, Bridger and Poppleton; Logan, McCree and Watkins.

HALF-MILE TRACK RECORDS.

Rochester, N. Y., Aug. 6.—Ned Crane of Chicago, driving a Thomas 120-horse power car, today broke his own half-mile record for unbanked dirt tracks made yesterday, covering the distance in 39.3 seconds. He also broke the twelve and a half mile mark of the half-mile track of this description, his marks being 1:20 and 2:40 2-5, respectively.

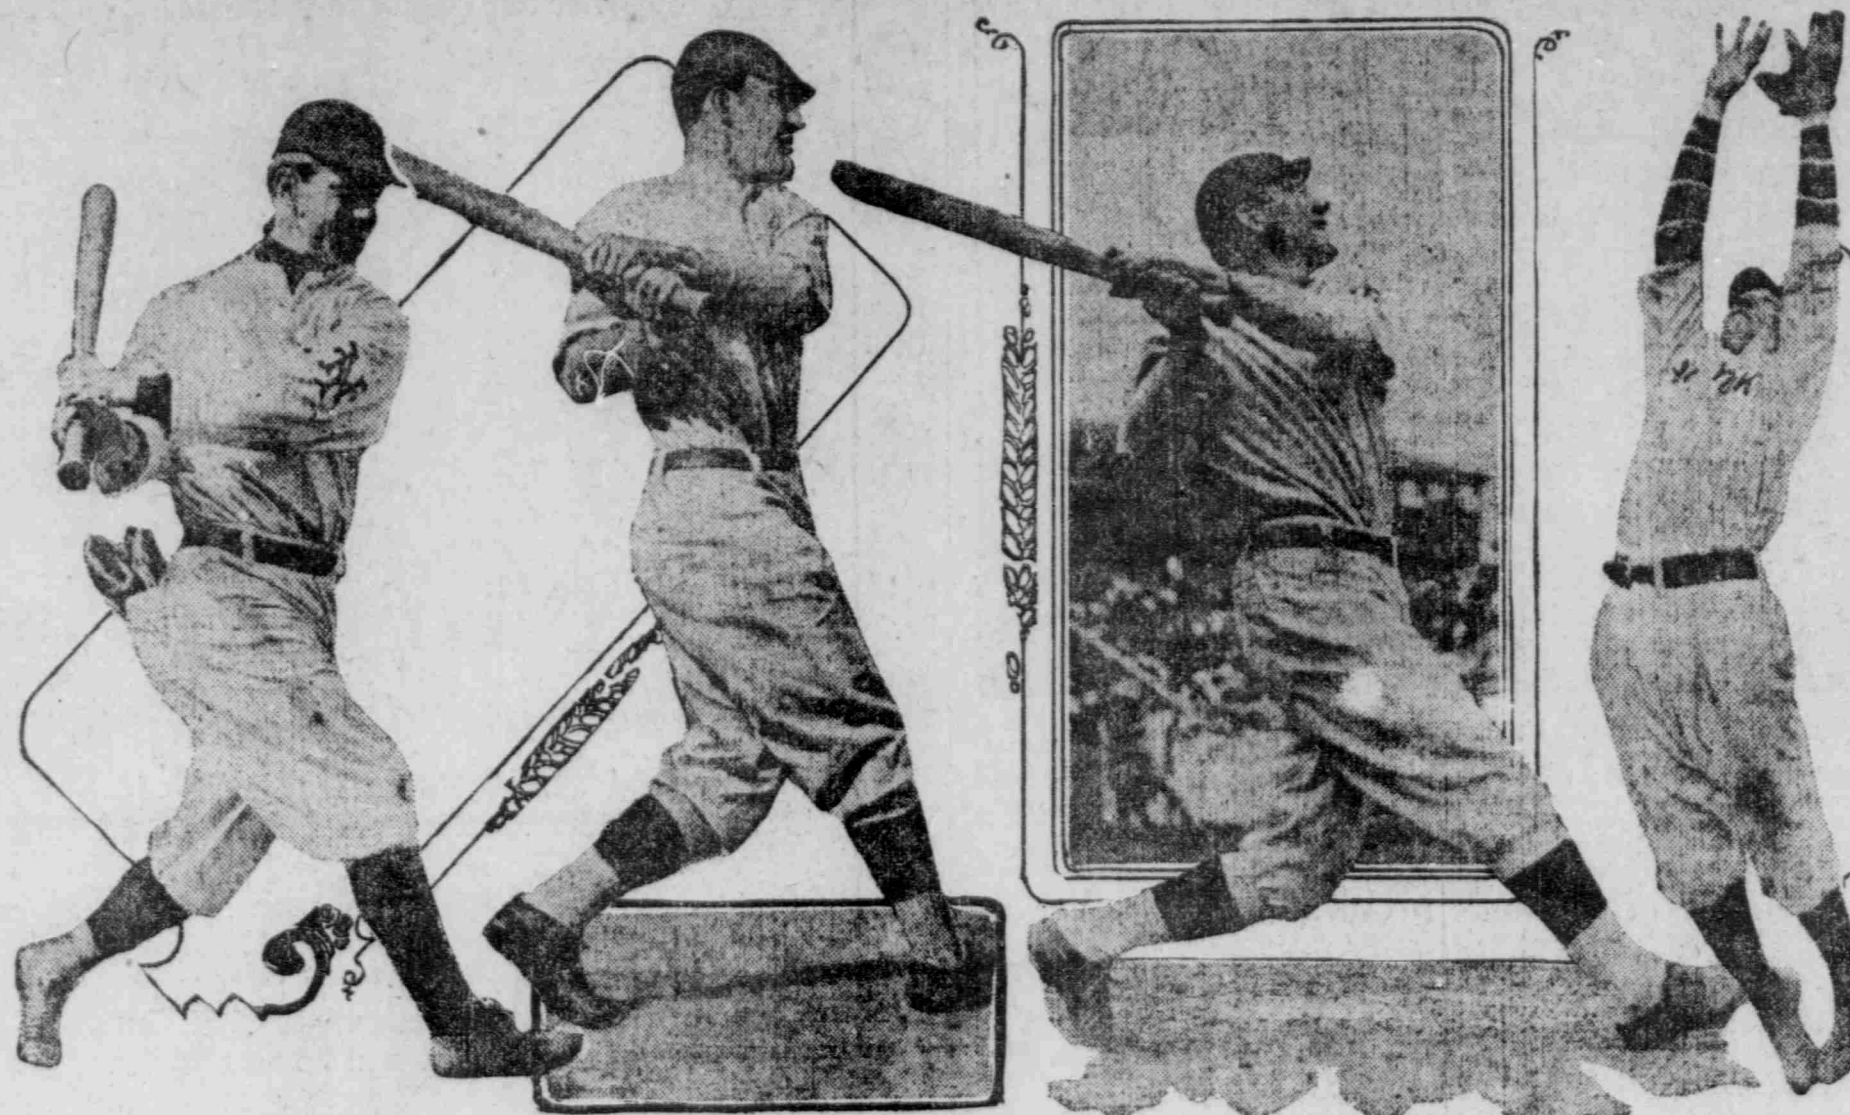

WANTS A GAME.

GIANTS NOW WANT THEIR REVENGE

The New York Giants have just returned home from their western trip, and although their trip was somewhat of a failure, the quartet here shown are out for revenge, and determined to redeem the past. From left to right is Josh De Vere, Al Bridwell, Larry Doyle and Arthur Devlin.

BIKE RIDERS TO MEET

Lanky Mac Has Something to Tell His Brothers About Track Wars.

The announcement of the alleged break between the N. C. A. and F. A. M. Friday morning set F. A. MacFarland thinking, and he immediately called a meeting for Sunday morning at the bicycle track, at which the presence of every bicycle rider is requested by the "king of the riders." MacFarland said that the purpose of the meeting was to explain the situation thoroughly to the riders, and to organize for their protection and for the protection of the bicycle game, which has been so popular in this city for the past ten years.

A. J. Clarke rode a lap at the Salt Palace in eleven seconds flat Saturday morning, which is probably the fastest eighth of a mile on record. Manager MacFarland says that Clarke, at the present time, can beat any man in the world, and he is willing to wager \$5,000 on the result of a series of races with any rider in the world.

Manager Heagren is trying hard to match Frank Kramer and Clarke for a series of races for the national championship. If the match is made and Clarke wins, he and MacFarland will make a tour of the world the coming winter, and will return here for next summer's racing, according to present plans.

OCCIDENTALS PUT MURRAY TO ROUT

Little Is Wild and Heavy Stick Work Does the Rest.

UTAH STATE LEAGUE.

| Murray | Won. | Lost. | P.C. |
|-------------|------|-------|------|
| Ogden | 14 | 5 | .736 |
| Occidentals | 10 | 9 | .526 |
| Salt Lake | 4 | 15 | .212 |

There is no joy in Murray, for mighty Murray tasted bitter and overwhelming defeat at the hands of the Occidentals yesterday. Score, 15 to 3. The Murray grounds were lined with a good crowd and everything went all right until the fourth inning, when Southpaw Dick Little ran amuck, giving five bases on balls—forcing in two runs. This, followed by hits and errors, netted the Occidentals seven runs, and it was all off.

Price was sent in to relieve Little, but the Occidentals hit him and the score piled up while the hard-hitting Smeiter City men could do nothing with Mooney, who was heating them over for the Occidentals.

At first base for the Occidentals was McAdoo, the crack Kansas City man, and he made good, playing a fine game at first and hitting the ball. Manager Blake says he is not going to lose a game from now on.

"It was just an off day," said Manager Margetta. "Rebscher left a hole at second that threw us off, but wait until today. We will beat the Occidentals alive."

The Occidentals were very happy after the fourth inning and came home with the bacon rejoicing. Little was hard, but his wildness was costly. The game today will be at Walker's field.

At Saratoga

Saratoga, N. Y., Aug. 6.—Textile, neglected in the betting at 10 to 1, and running in his best form, won the Hurrican stake for 2-year-olds, worth \$3,700 to the winner, here today. He was ridden by William Knapp, who rode one of his old-time finishes. Semprolius and Shalston cut out a stiff pace to the head of the stretch. Here Shackleton began to tire and Semprolius was joined by Whist. The fields swung wide on a turn, which let Knapp through on the rail with Textile. At the furlong pole, Textile, Whist and Semprolius were heads apart and won by half a length from Whist, who in turn was a head before Semprolius with the others strung out.

First race, six furlongs—Beome, 6 to 1, won; Sea Cliffe, 7 to 1, second; Rose Queen, 7 to 1, third. Time—1:32 2-5.

Second race, steeplechase, about two miles—Aunt Jule, 4 to 1, won; Stone, 15 to 1, second; Monte Carlo, 4 to 1, third. Time—4:24.

Third race, five and a half furlongs—Textile, 10 to 1, won; Whist, 6 to 1, second; Semprolius, 16 to 5, third. Time—1:08 4-5.

Fourth race, one mile—Sir John Johnson, 8 to 1, won; Stanley Fay, 5 to 1, second; Danoscara, 30 to 1, third. Time—1:40.

Fifth race, five furlongs—Dr. Duenen, 7 to 1, won; Yucca, 8 to 1, second; Definite, 12 to 1, third. Time—1:09 3-5.

Sixth race, mile—Woodcraft, 6 to 1, won; Far West, 3 to 5, second; Scarpia, 4 to 1, third. Time—1:40 2-5.

BARNEY GETS RECORD.

Philadelphia, Aug. 6.—Barney Oldfield, driving his 200-horse-power "Blitzen Benz," today lowered the Point Breeze park mile-track record to 59.3 seconds. The former record of 1:01 was made by De Palma in a Fiat car. Oldfield made two trials, accomplishing the distance in 1:00 flat on the first attempt.

Cleveland, O., Aug. 6.—President Charles Somers of the Cleveland club announced today he had accepted the challenge of the Cincinnati National league club for a post series to decide the baseball championship of Ohio.

TRAVIS MISSES FOUR-FOOT PUTT AND LOSES TO GARDNER

Chicago, Aug. 6.—Robert A. Gardner of the Hinsdale Golf club, the national champion, won the annual invitation tournament of the Glenview club today from Walter J. Travis of New York, one up in 37 holes.

Travis displayed his well known head work, but for once lacked his magic putting mallet.

Gardner played a determined game, and although three down at the tenth hole in the morning, he was only one down at the end of the morning round. Both played indifferent golf at times in the afternoon, but the match resolved itself into a see-saw affair.

Three times the match was even, and three times Travis had a lead of one. He was dormie one at the eighteenth green, but putted into a bush and had to play out short, Gardner squaring 4-5. At the extra hole Travis missed a four-foot putt, giving the Chicago player the victory.

BASEBALL TODAY

With Salt Lake going to Ogden to play Glimlin's men, the game for the Salt Lake fans at Walker's field will be between Murray and the Occidentals. The fans expect a good game, and they will turn out to see the two teams meet. With the Occidentals winning over Murray yesterday, the Smeiter city will be in force to see that it does not occur again, and the fans from everywhere will turn out to see the game.

The opposing pitchers will be Hummel for Murray and Langford for the Occidentals. Manager Margetta secured Hummel yesterday upon his release by Manager Donovan of Salt Lake. The Occidentals have added to the strength in McAdoo, the Kansas City first sacker, who is a ball player. The game will be called at 3:30 p. m.

UTAH LIGHT WINS.

By the score of 6 to 3 the Utah Light & Railway team won from the Lambert Paper company aggregation at the Fort Douglas grounds Saturday afternoon. The feature of the game was the home run by Saules and a three-bagger by Kilpatrick, both while adding in the run-getting for the illuminators. The batteries—Utah Light: Smith and Barnes; Lambert: Peterson and Morrow.

GANS STILL LIVES.

Baltimore, Aug. 6.—Joe Gans, former lightweight champion, while steadily losing strength, was still alive at a late hour, and his physician said that he did not expect the end tonight.
